

Temptations Will Come;

Expect Them

James 1:13-21

“When our circumstances are difficult, we may find ourselves complaining against God, questioning His love, and resisting His will. At this point, Satan provides us with an opportunity to escape the difficulty. This opportunity is a temptation.” Wiersbe

We have learned that God sends trials to test and mature our faith. This month we will learn that with every trial there is a temptation. Satan wants us to run from our trials and blame God for our hurts. We have two choices: Trust God or Allow Satan to win.

We will be tempted to sin.

Dear Ladies,

Can you believe it is March already??? Spring is right around the corner and I can’t wait to get back outside and feel the sunshine on my face. I am already making a list of projects to start working on? How about you? It is good to have goals in our life. It helps us to stay focused and get things done. The same is true in our spiritual life. Sometimes in our spiritual life we let the weeds of sin and discouragement grow and we don’t take the time to get rid of them. Start this month planning to get rid of the weeds and overgrowth in your yards as well as in your lives. Get out there and feel the sunshine and when you start getting those weeds of sin out of your life you will also feel the SONshine.

Love & Prayers,
Kathy Rice
